Why Grandma's?

Grandma's is different because of our amazing team.

You expect quality food set-up in your business both accurately and on-time. **Grandma knows it is easier to train a caring person to have skills than to train a skilled person to care.** We hire people who are simply good people. These are the people who put an order together and then deliver it. You will notice a difference at each step of your experience, from customer service when you place the order to setup and delivery all the way through a follow-up phone call to see how we did.

We take care of those who treat their food prep and setup as if they were providing a meal for a good friend. Those are the ones we do our best to take care of with pay and benefits, but that is not enough. It is our job to notice and appreciate their efforts, letting them know how much we value them and their contribution for our success. The payoff? After more than 3 decades, we have kept the cream of the crop and now so many people contribute as if they owned the company.

People ask if we really can do the promised 100 meals in 3 hours. The reality is that we can do so much more. When a hospital calls and needs three hundred meals stat, often those meals are there in just a few hours. When a local utility calls after a storm and needs literally thousands of meals over the next few days, our team jumps into action. That is the benefit of having people who work so hard but somehow have fun in the process.

You'll get great food delivered accurately and on-time by trained people who care. But most of all, you get

peace of mind!

Grandma's delivers from 5 am - 6:30 pm Monday - Friday, with a \$175 minimum on orders. But we can always deliver 24/7 for larger deliveries.

Weekends start at 5 pm Friday - 5 am Monday. There is a \$500 minimum with 20% gratuity added for Special Events.
